

BISHOP CHITEMO PRIMARY SCHOOL BEREGA

Bishop Chitemo Church Primary School was started in Berega in 2011: the vision was that by establishing an excellent English Medium school the staff at the hospital would be happy to continue working at the hospital, knowing that their children would have a good education and be able to progress to Secondary School when they were older. The school has now expanded so that it now takes children from many different backgrounds in the Berega area.

The School has been very successful: in the recent examinations the school's senior class came in the top couple of places out of the 162 primary schools in the Kilosa District, and there are now 187 children in the school - 84 girls and 103 boys. The school is fee-paying (the tuition fees are £200 per year), but there are 40 children whose parents are poor and whose children need to be sponsored. 31 of these children have sponsors, and so currently there are 9 children who need sponsors, and we expect this number to rise as we become aware of other families where circumstances have changed. BREAD set up a Sponsorship Scheme in 2017, and we are now looking for more sponsors. Here are some of the children with Ruth Mgego, the School Manager.

- if you'd like to sponsor one of the children, or join with others in sponsoring one of them, they and we would be delighted! Please complete the sponsorship form attached, or phone or email us to talk more about the scheme. (David is a BREAD Trustee)
